The Devils created fun and spirit during the week of October 21 through 27, 1979.

Monday at noon, Rally sponsored a "Bacon and Egg Chase." Contestants chased a pig covered with raw egg in an attempt to catch the little porker.

Tuesday at noon, motorcyclists raced as people clad in denim (Devil Den 'em Day) observed.

Students chugged (root)beer to the sounds of cars being smashed, as the ROTC sponsored the rootbeer guzzling contest and carbash on Wednesday. That night boys' varsity football team and girls' varsity volleyball team collided in a volleyball game in the Gym.

"Animal House" came to Wa-Hi as the campus streamed with students in 'togas' despite the October weather on Thursday. That night, participants changed into warmer clothes for the annual serpentine and bon fire, followed by an outdoor dance.

Friday, during lunch, the rugged Boys' Fed Cabinet challenged the even more rugged Girls' League Cabinet to a rowdy Tug-O-War over the raging Yellowhawk. The student body cheered their favorites while wearing Blue and White. Also, the Pep Rally was held and Homecoming Royalty were announced and crowned.

Couples converged on the gym on Saturday night to boogie to the sounds of "Shifter" in the atmosphere of "Too Much Heaven."

## FOOTBALL '79

With excitement and enthusiasm over 70 Juniors and Seniors entered into the 1979 football season at Wa-Hi. Their commitment to a winning effort was not to be denied as they fought their way through the always tough Big 9 Conference and carved out an enviable 5-4 record. Even more impressive was the Blue Devils' undefeated home record (5-0), witnessed by a large following of student and adult fans.

After an opening loss to Kamiakin, the Devils came on strong the next week to completely dominate Moses Lake for their first home win. A close loss to Davis in Yakima added extra incentive for the Blue and White for their next home win, as they came from behind twice in a double overtime to defeat a big,

physical Pasco team, 24-23. A loss to pre-season favorite Kennewick set the stage for the most impressive win of the season as the Devils upset the league leading and state ranked Richland Bombers, 21-12. Playoff bound and Big 9 Champion, Wenatchee, was tough in Wenatchee but the Blue Devils were home for the next two weeks to win their final two games of the season. The impressive pageantry of Homecoming week was fittingly climaxed by a Blue Devil touchdown in the closing seconds to defeat Ike. The Lewiston Bengals were the next victims for the Devils as every senior played and his parents were given special recognition.

It was an exciting season which featured such lasting memories as

the Scrimmage B-B-Q, Pep assemblies, Guardian Angel-Football Team Pizza Feed, terrific student and faculty involvement (promoted by a very ambitious and active cheerleading squad) and the overflowing crowd of over 300 parents and players at the annual Football Banquet.

The 1979 Blue Devils' most distinguishing characteristic was their deep sense of loyalty to each other, to their coaches, to their school and to their community as they played and committed themselves to a winning effort in their daily lives, as well as on the playing field.

It was a great year for Wa-Hi football.

# CROSS COUNTRY '79

FRONT ROW: Mr. Huntington, Tim Blanc, Brad Rude, Tom Hammack, Tammy Roeder, Doug Rehberg. ROW 2: Paul Fredericks, Steve

Dennis, Greg Barrett, Craig Nelson, Stan Scherer, Ted Grumbach, Don Hoppen, Rob Grumbach.

The Cross Country Team finished the season with a 5 win-3 loss record, which gave them fourth in league standings.

At district they finished third, barely missing a trip to state.

Seniors lettering for the third time were Paul Fredricks, who was also the most valuable award winner, and Greg Barrett, who was voted most inspirational by his teammates.

Senior Don Hoppen won his second year award.

Senior Ted Grumbach, earned his first year letter and was awarded the most-improved award.

This year was the best season in the past five years, and we have a good crew returning.

Sophomore Tammy Roeder was our only girl this year, but what we lacked in quantity she made up in quality. Tammy finished the season very strong with a fifth in district which earned her a berth in the state meet in Seattle. She ran well in Seattle and finished 57th in a field of 138 girls.

A black and white photograph of the 1979-1980 Wa-Hi basketball team. The team consists of 18 players and 1 coach, posed in two rows on a gymnasium floor. The back row has 12 players standing, wearing dark jerseys with "WA-HI" and their numbers. The front row has 6 players kneeling and 1 coach sitting on the far left, all wearing dark jerseys with "WA-HI" and their numbers. The gymnasium floor has white lines, and a basketball hoop is visible in the background.

Although the year wasn't as productive in the win column as I would have liked, it was still very satisfying to me. The players never quit; they hustled and worked hard right to the end. This is exemplified by scoring 74 points against Richland, who usually prides themselves on defense, and by taking third place Kennewick into overtime before losing on a last second shot at the buzzer. This type of hardworking attitude throughout this season will hopefully carryover into next, as we did have a very young and inexperienced team this year. I regret the graduation of two seniors, Tim McKeown and Dan Griffin. Their leadership and 100% hustle each game will be thoroughly missed. I sincerely hope that those players returning will work during the off-season so that they will make Wa-Hi a winner next season, and a team not only the town will be proud of but also the entire Wa-Hi student body.

See you next season!

The Wa-Hi girls' basketball team started its season in mid-November and from then on it was an uphill climb, which took many long hours and much determination. This season was highlighted by enthusiastic fans who set precedents such as "The Terrible Towels," The Trenchies and several other dedicated supporters. The Devil Den was filled to its capacity more than once, one of these, the memorable game against the Pasco Bulldogs.

There was much growth on the part of the five sophomores who were on the team this year; Annette Bergevin, Patty Reser, Karla Krebs, Sherry Hoppen and Lori McMunn. And for the juniors, Val Applebee and Lori Bates, leadership and teamwork were a few of the several things they demonstrated. For seniors, Debbie Reser, Terri Stalder, Patty Frick and Charlotte Clizer, this was their second season of basketball coached by Marda McClenny.

This year the Wa-Hi team was

fortunate to have both the District and Regional tournaments in Walla Walla. The support from the regular season carried over to these tournaments and the girls proceeded to the traditional trip to state.

Though the state tournament did not prove victorious for the girls, it did conclude a successful season for all of the team members. Goals of teamwork and openness with each other were a few of the vital elements attained by the team for a rewarding season. The team was proud to play for their coach who, by her personality and attitude, made a lasting impression which would be reflected on and off the court by her players.

The team and their managers, Peggy Haun and Stephanie Swyter, were overwhelmed with the super support of their cheerleaders and fans. They hope this is carried on for years to come, as Blue Devil Girls' Basketball grows in strength and pride.

It's happened again. It does every year. The days get longer—light before morning practice and still that way when that last pushup or lap is done in the afternoon. What now? Dual meets are over; tournaments are over; where to from here?

To our seniors—Congratulations. It's been a good three years. There were good moments, and there were bad. Both are ours to treasure. We could have done it no other way. Soon

you'll be stepping out onto an even bigger mat. The match will be longer and more important than any you've been in yet. The game of life is a challenge and it will be rewarding. Remember the lessons you've learned. Remember us. We'll remember you.

To our underclassmen—it's yours. What do you want it to be? We've all seen the champions. Their secret to success is no secret. How good do

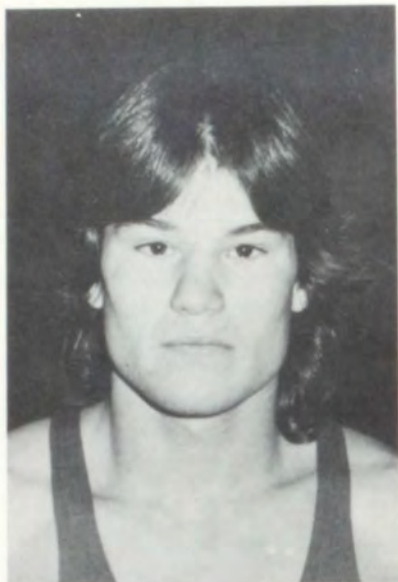

you want to be? The destiny of the WaHi wrestling team is in your hands. The destiny of YOUR wrestling team is in YOUR hands. You have come a long way in a season—there is still far to go. Should we reach for the stars? Is it possible? Let what's in your heart come out. No one can guarantee they will win every time—no one can stop you from trying. Let's get after it.

# HANSON RETIRES

The class of 1980 salutes Franklin B. Hanson, better known as "Pete", retiring superintendent of Walla Walla School District No. 140, for his devotion to education.

Hanson graduated with a B.A. degree in history from Whitman College in 1942. He served in World War II from 1942 until 1946 as a navy pilot, returning to Whitman to earn his Master's degree in education in 1947.

His career in education commenced in 1947 when he began teaching and coaching at the high school and progressed with his appointment as the first principal at Garrison Junior High School in 1955. He became high school principal in 1963 and was the principal at the new Walla Walla High School when it opened in 1964. He was appointed Superintendent of Walla Walla Public Schools in 1970.

Many awards have been presented to him for his work in the field of education during his tenure. He received the Garrison Junior High School PTA Golden Acorn Award in 1958 and

the Walla Walla Council of PTA's Golden Acorn Award in 1977. Special awards have also been presented to him by the National Principal's Association in 1958 and the Washington Principal's Association in 1961. One of the highest honors bestowed upon him was that of School Administrator of the Year for Washington State in 1970.

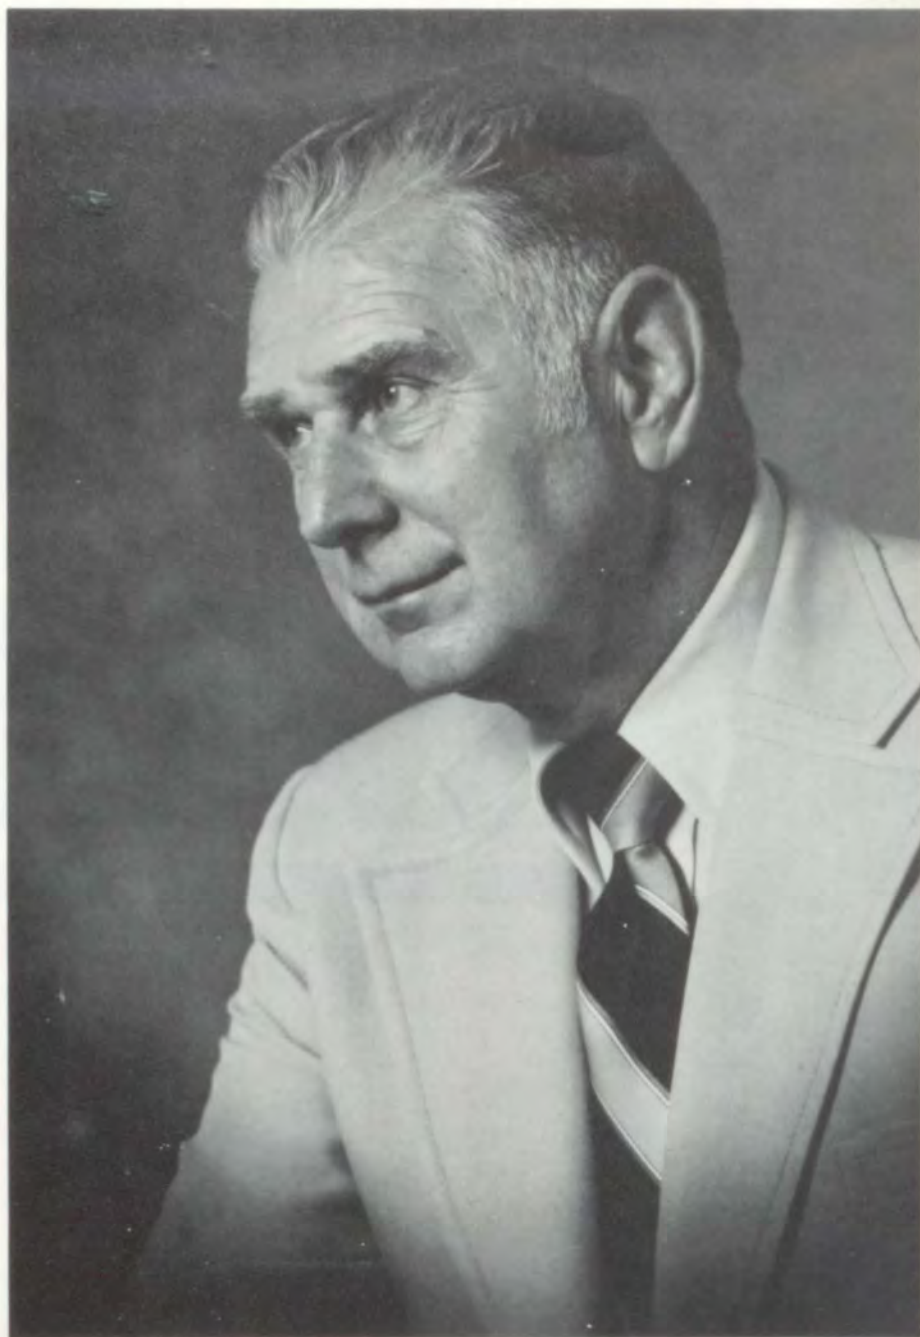

In addition, he has served his community and profession in numerous ways. He is the current president of the Walla Walla Chamber of Commerce, member of the Board of Overseers of Whitman College, on the vestry of St. Paul's Episcopal Church, board member and chairman of the education division of the United Way, director of the YMCA, board member of a local banking institution, past president of the Walla Walla Rotary Club, former city council member, as well as director of the Washington

Association of School Administrators and past state president of both the Association of Classroom Teachers and the Junior High Principal's Association.

A career would not be possible without family support. Special recognition is also given to his wife, Ruth, a past teacher in the school district, and his children; Karen, Kathy, Jeanie, and Frank, all products of Walla Walla High School.

Franklin B. "Pete" Hanson has truly been instrumental in shaping the destiny of the Walla Walla Public Schools for the past 33 years. He is a person who has consistently and unselfishly given of his time and energy for the betterment of the educational process.
